

Deletion of a Cord Blood Unit (CBU)

Cord Blood Bank (CBB): _____

Unit No: _____

Reason of the Unit deletion:

- ☐ donor disease (mother or child)
- ☐ problems with the product
- ☐ hybrid CBU used in the related setting
- ☐ parents decline use of the hybrid CBU for the unrelated setting
- ☐ other

Please specify the reason for deleting the unit:

The Unit:

- ☐ will be disposed of properly
- ☐ will be further stored by the Cord Blood Bank for an eventual future transplantation (directed donation). The labelling will be accordingly modified. In this case this form is to be signed by a director of CBB
- ☐ will be further stored by the Hybrid Cord Blood Bank for related use. The labelling will be accordingly modified (labelling for the unrelated use deleted). In this case this form is to be signed by a director of CBB
- ☐ will be used for quality investigations according to the quality / stability program of the CBB. In this case this form is to be signed by a director of CBB
